## Don't Be Bald

One of Our Readers Tells  
How She Obtained a Mar-  
velous Growth of New  
Hair by the Use of a Sim-  
ple Home Remedy After  
Hair Specialists and Ton-  
ics Had All Failed.

I had what most people would call  
a beautiful head of golden hair. I  
prized it most highly, as I considered it  
my chief attraction. Suddenly it be-  
gan to come out rapidly, and at times  
I had intense itching of the scalp.  
Physicians and hair specialists said  
my case was one of dandruff germs,  
hair microbes, etc., and nothing that  
they gave for did the slightest good.  
On the contrary, my hair seemed to  
come out even faster, and I was now  
fearful lest I should become entirely  
bald. In my despair, I tried the use  
of an Ecuador herb which he said  
would positively grow hair on any  
head where the hair roots were not  
entirely gone, and he said the natives  
of the country where it grew were  
famous for their beautiful long hair.  
Upon medical advice I com-  
bined this herb with Bay Rum, and im-  
mediately began its use. In three applica-  
tions it entirely stopped the intense itching  
of my scalp, and in a very short time  
it not only stopped my falling hair,  
but I noticed an abundance of new  
hair coming in. In less than one  
month my hair was longer, thicker  
and more beautiful than ever. All  
due to this marvelous hair-growing  
herb. A lady to whom I gave the  
formula used it on her daughter, and  
she says that it made her hair grow  
five inches in less than a month.  
Doctors to whom I have shown it say  
it is the only thing which will ac-  
tually grow new hair. Therefore I  
think the people ought to have it. At  
first I thought I would keep it a secret  
and sell the secret; but when I think  
how I suffered and how badly I  
needed it and how hundreds of others  
must need it the same as I did, I  
feel I ought to give it to the world.  
Therefore I authorize this paper to  
publish the formula, which is as fol-  
lows: Bay Rum, 6 oz.; Lavona de  
Compose, 2 oz.; Menthol Crystal, 1/2  
dr.; To-Kalon Perfume, one to two  
teaspoonfuls.

Ask your druggist for an 8 oz. bottle  
containing 6 oz. of Bay Rum, then  
put in the Menthol Crystals and the  
Perfume. Next add one-half of the  
bottle of Lavona de Compose, let it  
stand six to eight hours and add the  
remainder of the Lavona de Compose.  
Always buy the Lavona de Compose  
in a 2-oz. sealed bottle, as this prepa-  
ration contains the juice of the  
Ecuador herb mentioned above, and  
it loses its strength if unsealed.  
Apply the preparation night and  
morning and rub well into the scalp.  
If properly used it will soon produce  
most astonishing results. Be careful  
not to get it on the face or any part  
of the body where you do not want  
to produce hair.—Adv.

pany. The complaint alleges that on  
June 1, 1909, plaintiff made arrange-  
ments to use certain cars for the trans-  
portation of 6,680 head of sheep, said  
cars to be used at certain specified  
dates and places. It further claims  
that the cars were not at the points  
of shipment at the time agreed upon,  
and that through this failure on the  
part of the railroad company, plaintiff  
suffered a loss of \$2,000. It further  
claims that during the delay of cars,  
the price of sheep fell off and they did  
not produce as much in the open mar-  
ket, causing a further loss of \$2,250.  
Again, through the delay in shipment,  
plaintiff was forced to feed the sheep  
at Pueblo, Colo., and expended a sum  
of \$4,664.38. The plaintiff asks the  
court for judgment against the railroad  
company for the total amount of the  
damage, \$13,290.02.

## SESSION OF THE PROVO CITY COUNCIL

Druggists Protest Against Proposed  
License as Disproportionately High  
—Sewer Matters Considered.

(Special Correspondence.)

PROVO, Oct. 15.—At the meeting of  
the city council last evening, City En-  
gineer Jacobs suggested some changes  
in the specifications for sewer construc-  
tion in district No. 11. One of the  
changes proposed that the \$5,000 to be  
paid by the state for the privilege of the  
State Mental hospital connecting with  
the sewer be paid to the contractor and  
that the balance be charged against  
the property benefited. Referred to  
the committee on sewer and the city  
attorney.

Alex. Hedquist, A. H. Malben, Fred  
Moore, Francis Hedquist and C. O.  
Chase, druggists, appeared before the  
council to protest against a \$150 druggist's  
license, which is based on the propo-  
sition to incorporate in the revised city ordi-  
nances, on the ground that the license  
was disproportionately high as com-  
pared with the license charged other  
merchants, which is based on the  
amount of stock carried. Referred to  
the committee on license.

### INCREASED ATTENDANCE.

PROVO, Oct. 15.—The Brigham Young  
university has now 1,088 students en-  
rolled. This is about 100 more than

year than in any previous year, and  
each year brings an increase over the  
preceding year in the higher depart-  
ments.

### WEDDING BELLS.

PROVO, Oct. 15.—Marriage licenses  
have been issued to the following  
couples:  
Alex. Gustafson and Helma Sophia

### GARDEN CITY NOTES.

As intimated in yesterday's issue,  
George Brown, the 8-year-old boy who  
has an irresistible penchant for other  
people's horses, was sent to the Lund  
school yesterday.  
It is now expected that the postoffice  
will move into its new quarters in the  
federal building Nov. 1.

B. H. Bower and wife are back from  
an extended visit to the coast.  
Charles Burrows and Fred Hillas  
have started a mattress factory at 691

is equipped with first class modern ma-  
chinery.

city but now residing in Mexico, is vis-  
iting relatives on his way home from  
conference. Mr. Stewart is 90 years of  
age, but is as active mentally and  
physically as most men of 70.

Walter Chaff of this city has returned  
from a trip to South America, where  
he has spent several months in the in-  
terest of an investment company.

### LINE UP OF BOTH PARTIES AT LEHI SATURDAY

(Special Correspondence.)

LEHI, Oct. 14.—The Republican con-  
vention will be held in the Opera  
house Saturday night and the Demo-  
cratic will meet in the city hall the  
same evening. For mayor either S. J.  
Goodwin or J. H. Gardner will head  
the Republican ticket with Edward  
Southwick as his running mate. The  
Democratic ticket has not yet been  
decided. There are so many in the field  
for the different positions on the Re-  
publican ticket that it is impossible  
to pick out winners, and no one  
could be given as to who will allow  
their names on the Democratic ticket.  
The night, anyway, especially on the  
Republican ticket, will be on the ques-  
tion of prohibition to get councilmen  
in who are in favor of or opposed to  
the proposition. The Republican plat-  
form will no doubt endorse the action  
of the present city council in closing  
up the saloons after Jan. 1, 1910. It is  
now proposed to get an expression  
from the people at the polls as to  
whether they want prohibition or not  
as a criterion for the incoming city  
council to go by. The city council at  
its meeting Monday night appointed  
the following judges of election, for  
Nov. 2:  
District No. 1—James Brown, Isaac  
Fox, Edward Katten.  
District No. 2—Melvin Johnson, Ellen  
Thomas, D. H. Allred.  
District No. 3—Edna Davis, John  
Conner, Thomas Jones.  
District No. 4—George Webb, Joseph  
S. Broadbent, George Southwick.

Monday of typhoid fever, was held yester-  
day at 2 p. m. from the new taber-  
nacle. The house was filled with sor-  
rowing friends, kind relatives and the  
numerous floral tributes were most  
beautiful. The speakers were Elders  
James Taylor, Enoch Ruseon, John Y.  
Smith, Robert Gilchrist, Patriarch  
James Kirkham, Sr., Superintendent G.  
N. Child of the stake Y. M. M. I. A.  
and President A. J. Evans, who spoke  
of the high esteem in which the young  
man was held, of his active labors as  
a citizen and in the church and spoke  
words of comfort to the bereaved re-  
latives. Miss Margaret Cavanaugh  
and Miss Maud Kirkham rendered

tempted highway robbery. A short  
time before McAuliff was picked up in  
the street, Frank M. Lytle was at-

himself with a razor. While Lytle, at  
the preliminary hearing of McAuliff,  
could not positively identify the pris-  
oner as one of the men who had at-  
tacked him, he asserted that McAuliff's  
wounds, several on the head and body,  
were at about the points where he had  
slashed one of his assailants. McAuliff  
denies any knowledge of the attack  
Lytle, and avers that he was at-

tended the wounds which nearly caused  
his death from from loss of blood.
